Endorsements

Although tax registration, unemployment, and industrial insurance endorsements appear on your Business License, the registration with the agencies that govern these endorsements is not complete until they have established an account for your business.

Each registering agency requires you to submit periodic reports. Each agency will send you the necessary reporting forms and instructions.

Corporations, limited liability companies, etc.

You must submit a Business License Application and file with the Corporations Division of the Secretary of State before you can legally operate as a corporation, limited liability company, or other business organization type that requires registration. If you have any questions, call (360) 725-0377.
